NOTE: PULL AT MI-TI-JO CAMPGROUND STONE BOAT

President's Corner

Pulling session is here. I am glad to see such a good turn out at the pulls even with such high fuel costs. The new pullers are giving us old guys a run for our money. The girls, I mean women, as I was corrected at the past pull are giving the guys some stiff completion. There was a pull off between the women at the past two pulls.

The transfer sled may not be available until the Acton Fair Pull. I will keep you posted. We will post updates on the website.

The website has the pulling results and new pictures. When Roxanne figures out how to post them it will have the points on there too. A change to the points system this year will be that if you show up to pull you will get 5 points even if you are disqualified.

Coming this fall, we are thinking of having an all female pull where the significant others of the pullers can try to pull. It is in the talking stages. I will update you when there is more information.

See you soon,
Frank Bumford

Punky's Tidbits

Well Folks....Our first pull is behind us. It was a great warm-up for the season to come.

The numbers show that the club is growing. I saw a lot of new faces and tractors. Both in the audience and the pullers. There were some pretty fancy tractors out there on the track! Delaney and Deanna stole the show with their pink and purple tractors. A warm and friendly welcome to all of our new members.

It was a "fun" pull, so no points were kept for the records, but here are the first place winners: Tucker Cole in the 650 lb class, Delaney Curit in the 800 lb class, Dave Graffam in the 1000 lb class, George Bragg in the 1250 lb class, and John Mayo in the 1500 lb class. Good job all.

Congrats to the winner of the 50/50 Ken Noble and winner of the door prize Doug Dart.

I would like to make a brief mention of the fact that the safety out on the track was noticed. Good job all. It is very important that we keep our record clean and our children and adults without injury.

Sorry Kyle, about blowing your transaxle. But, I am sure you and your dad will be right back on the track in a couple of weeks.

I must ask a big favor of all the members that are present at a pull. There needs to be more volunteers for the track. It is not fair for the same people to be on the track all day. We need at least 3-4 persons on the track each pull. It would be much appreciated if you step up and let someone else have a break. Thank you so much.

There are some members who have been doing some extraordinary things for the club and everyone of us can give them a bravo and a word of appreciation. Carol and Mark Cassette, together with the Rochambeau Club in Biddeford, have raised enough money to pay off our trailer, letter and decal it, and purchase our t-shirts. Ernie Lowell has designed our logo and is in the process of having the decals made for the trailer, Jen and Jerry Pettit are also working on the logo for t-shirts and doing the leg work to get them printed. This just to mention a few that help so much. Many of you help in so many ways. All I can say is THANK YOU VERY MUCH.

Another mention is our website manager, Jen Lank..... You do a fabulous job !!! Please, everyone, look at the website, leave a message, use the classifieds. The classifieds are for MEMBERS ONLY.

Our next pull is June 8th at the Acton fairgrounds. Starting time is 9 am. There is a convenient store across the road from the fairgrounds.

STAY HAPPY AND HAVE FUN !!

Chairman - Punky Noble

Vice Chairman - John Martel
