Next Pull Rochester Fairgrounds May 16th 9AM

PRESIDENT'S CORNER

Has everyone seen the advertisement on television where you vote for your favorite color M & M. I have been voting for the green one. No way that I would vote for the blue and orange one.

Not many tractors at the North Country Tractor Pull but a good time was had by all. I guess we have all found out what need adjusting and tightening!!! Don't want wheels falling off or anything like that? We will be pulling at the Rochester Fairgrounds on May 16th at 9 am. The fairground usually has a concession and we will be pulling stone boat.

May 22 & 23, we will be pulling at the Ossipee Valley Fairground. This will be stone boat both days. There will be concessions. Camping is available for a small fee.

Lenny's sled will not be available until July. Don't forget the auction at Willowbrook, May 8th, antiques, tractors and old farm equipment.

Mi Ti Joe Campground pull will be stone boat both days at 9am on June 5 and 6th. For anyone that is interested, the Auction at Paul Ford's is June 12th and can be checked out at Auman Actions.

The new track at Cole's Mine on Route 202 on the Sanford, Lebanon line, will be the

site of our pull on June 20th. Dry camping is available if anyone would like to stay. Call 207-457-1192 FMI
